Charging

In order to cover costs, from 2024 a minimum charge is required from users of the apartments.

Where a 2 bedroom apartment/ cottage is availed of a minimum charge of £250 is required;
where a 3 or 4 bedroom apartment/ cottage is availed of a minimum charge of £300 is required.

No charge is levied against a Category One In Service Widow(ers)/ Bereaved Partner.

Charges may be abated at the discretion of the Benevolent Fund where certain circumstances apply. This is dealt with in details later in this policy.

Eligibility for use of the apartments

All persons should fall into one of the following categories to be eligible.

1. In Service Widow(er)s/ Bereaved Partners

The apartments are available for the use of widows, widowers and bereaved partners. No charge is levied in these circumstances.

These are defined as follows; **widows, widowers or bereaved partners of members who died in service for whatever reason from 1969 to date.**

This category will also include widows, widowers and bereaved partners of medically retired ex members who died within one year and one day of medical retirement from 1969 to date.

Widow and widower will include those who are married or in civil partnership.

This category will also include bereaved partners. Partner is defined as any person who although not married or in civil partnership with each other, were living together as husband and wife (including a same sex relationship) for the entire two years prior to that member's death.

To be eligible, the member should have been donating to the Benevolent Fund at date of death.

Where a deceased officer is survived by more than one widow/ widower or bereaved partner, entitlement to use of the apartments / cottages will normally be allocated to the person with whom the deceased officer resided at their death. Only one person may be eligible for use of the apartments / cottages by virtue of this qualification.

It should be noted that where a serving officer is in this category they are fully eligible to apply as a widow(er) or bereaved partner.

2. The apartments / cottages are available for the use of the parents of a deceased single officer (i.e. a deceased officer who is not survived by a widow, widower or bereaved partner).
3. The apartments / cottages are available for the use of retired officers and widows/ widowers and bereaved partners of retired officers (not within the definition of category 1 above)

This is defined as being retired officers (including medically retired) who were donating to the Benevolent Fund at their date of retirement and were donating for at least the 12 months prior to their retirement or their widow/ widower or bereaved partner.

In the case of a former Part Time Reserve officer/ Police Officer Part Time, they will be eligible if they served for more than 10 years, were donating at the end of their service and had been donating for at least the 12 months prior to their retirement and are in receipt of a pension whether occupational or state. They cannot avail of the apartments/ cottages if they are still serving unless under the Serving Officers welfare criterion following.

Remarried widows still retain the eligibility to apply for apartment / cottage places; however, on **their** death their bereaved widow(er)/ bereaved partner will have no remaining entitlement to use the apartments.

Where a deceased officer is survived by more than one widow/ widower or bereaved partner, entitlement to use of the apartments / cottages will normally be allocated to the person with whom the deceased officer resided at their death. Only one person may be eligible for use of the apartments / cottages by virtue of this qualification.

4. Serving Officers

A serving officer may use the apartments if they have been donating to Benevolent Fund for not less than 12 months preceding the booking date

The apartments / cottages can be made available to serving officers in extreme welfare circumstances and in such cases the Chief Executive has discretion to waive charges.

The apartments / cottages may not be used by officers who are suspended

An eligible person may make a maximum of 2 bookings in any calendar year

Resignations/ dismissals/ suspension

Where a member has resigned from the service or been dismissed rather than retired no entitlement to use of the apartments / cottages exists. A serving officer may not use the apartments / cottages if suspended.

Occupancy

Eligibility for use of the apartments / cottages is based on the applicant in whose name the booking has been made. **This person must be present throughout the duration of the booking.**

The only exception to this rule will be where the person who would be eligible to book is in constant medical care and cannot leave their place of treatment to attend (for example in permanent residential care). In these circumstances their spouse or partner may apply for use of the apartments / cottages. That person will then assume responsibility for the keys and so forth.

Occupancy capacity must not be exceeded and only occupants notified to the Benevolent Fund at time of booking may stay in the property.

The person making the booking is responsible for the behaviour of any guests they invite to use the facility and for the condition of the premises at the end of the holiday. They must ensure that any and all breakages are reported to the caretaker before departure and that the apartment / cottages is left clean and tidy.

The Benevolent Fund expects that costs incurred by damage or neglect will be met by the applicant in whose name the booking was made.

Any breach of the rules will be dealt with by the Benevolent Fund and may result in the applicant being asked to leave the apartments and the future withdrawal of use of this facility.

Dogs

- Dogs are only permitted in apartments 7,8, 19,20 (Rathmore Portrush) and may only be brought to the apartments if this has been notified at time of booking/ paying for the

If necessary the booker and their party will be requested to vacate the apartments. In these cases no refund of the holiday charge or dog surcharge will be payable
- A surcharge of £30 is payable at time of booking to cover the additional costs of cleaning. Where excessive staining or any damage is noted the full costs of this (in excess of £30) will be met by the booker within 7 days of their being notified of the costs incurred. Excessive will be in the opinion of the caretaker whose decision is final.
- This £30 surcharge is to be paid when you pay the charge (£250 or £300) liable

- No charge is levied in respect of bookings by In Service Widows.
- Any breach of the rules or complaints about your behaviour or anyone in your party during your stay, whether noted at the time or subsequently, or misuse of the facilities in general will be considered and if upheld, may lead to the withdrawal of further use of the apartments/ cottages at the discretion of the Benevolent Fund.

Booking Procedure

Allocation

The Benevolent Fund aims to ensure the maximum and fair availability of apartments / cottages to those eligible as is possible.

Eligible persons are restricted to booking a maximum of two holidays per calendar year and may only book one holiday during the months of July to August in a calendar year.

Where an eligible person (not in category 1) avails of a holiday during July to August in any year they may not avail of a holiday in July to August of the following year.

Reserved Dates

To assist in ensuring that apartments / cottages are available for particular groups a number of block allocations are made

1. A total of 8 apartments at Portrush are made available for applicants falling within Category 1 during the months of July and August. These are booked via either the online or written application processes set out below. Where an apartment thus reserved has not been allocated 4 weeks in advance of the date for which it has been reserved will be treated as vacant and released for the purposes of allocation to applicants outside category 1.
2. One apartment at Portrush will be reserved for the first week of every month for use of serving officers for respite breaks in cases of extreme welfare need. Where this apartment has not been allocated 4 weeks in advance of the date for which it has been reserved it will be treated as vacant and released for the purposes of allocation to other applicants.
3. One apartment is held at Portrush for one week during each of the months of April to June and August to October for the use of those who book in writing. Where an apartment thus reserved has not been allocated 4 weeks in advance of the date for which it has been reserved it will be treated as vacant and released for the purposes of allocation to other applicants.
4. 25% of the remaining apartments (not allocated above) will be reserved for serving officers with the remaining 75% held for ex members and widows (not including Category One who are provided for above). Where an apartment thus reserved has not been allocated 4 weeks in advance of the date for which it has been reserved it will be treated as vacant and released for the purposes of allocation to other applicants.

Holidays may be booked up to 6 months in advance

With the exception of bookings made under (3) above, bookings must be made via the Benevolent Fund website. Online bookings will require the applicant to have registered with the fund and logged on to the Benevolent Fund Website, www.policebenevolentfund.com.

Booking Process

Subject to reserved dates as described above, apartments will be released for booking on the Benevolent Fund website 6 months in advance of date sought (i.e. on the first working day of January the website will permit booking of the apartments for the month of July).

An eligible person (in any category) may only avail of one holiday in the months of July to August.

Where an eligible person (not in category 1) avails of a holiday during July to August in any year they may not avail of a holiday in July to August of the following year.

Bookings are allocated on a 'first come first served' basis and allocations cannot be appealed.

Written Applications

It is noted that some applicants may not have access to on line facilities. To ensure their access, an apartment is held at Portrush during the months of April to June and August to October for the use of those who book in writing.

Written applications will be made to the Benevolent Fund office at Garnerville. An eligible person may only avail of this option if they cannot reasonably be expected to use online booking. A person must use **either** written **or** online booking arrangements. **Bookings cannot be made by telephone.**

In line with the booking rules, eligible written applications will be considered on the first working day of each month for the sixth month in advance. No written applications will be considered prior to this the first working day of the month six months preceding the date sought (i.e. January for a holiday in July).

Where written applications for any given week exceed availability applications will be prioritised as follows

- Priority will be given to those in category 1 (bereaved widows and partners)
- Second priority will be those who have never previously used the apartments facility
- The next priority will be those who have not availed of a holiday in the current calendar year

- The final criteria will be those who did not avail of a holiday in the preceding calendar year

Where, after application of the above weeding criteria there is still an over demand, the apartment will be allocated by means of random selection.

Charging

In order to cover costs, from 2024 a minimum charge is required from users of the apartments. Where the holidaymaker brings a dog a further surcharge is payable.

Where a 2 bedroom apartment/ cottage is availed of a minimum charge of £250 is required; where a 3 or 4 bedroom apartment/ cottage is availed of a minimum charge of £300 is required. No charge is levied against a Category One In Service Widow(ers)/ Bereaved Partner.

The Benevolent Fund reserves the right to seek evidence of income. Where this is requested and not provided the Benevolent Fund reserve the right to cancel the holiday and reallocate the apartment/ cottage.

Where abatement of charges is declined the booker will be asked to make payment. This must be made within 1 week of being advised that the application for a holiday without charge has been refused.
